

APPENDIX I

Awards and Scholarships for which some students in the Dept. of Biological Sciences qualify

2009-10

This is not a complete list of awards. For further information please consult (1) Faculty of Graduate Studies and Research website: <http://www.gradstudies.ualberta.ca/>, (2) "Biofeedback," the departmental newsletter, (3) Administrative Assist. to Associate Chair (Graduate Studies), CW 312.

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
ACA Grants in Biodiversity (Alberta Conservation Association)	Graduate students and new postdoctoral fellows whose research will increase knowledge of the flora and fauna of Alberta. Priority given to MSc and PhD students in first 2 and 3 yrs of program, respectively, and postdoctoral fellows in the first yr of their program. Research must be done in Alberta. This grant is for research purposes.	2 yrs. Application info is available on the website: http://www.biology.ualberta.ca/biodiversity/index.htm	Up to \$20,000 total	No restriction	Nov 2	Oct 25
Alberta Chapter of the Wildlife Society Post-graduate Award	A student currently in a full-time post-graduate degree program at an Alberta university in Biological Sciences, Forest Science, Animal Sciences, Zoology, or related field of study.	http://www.albertadirectory.net/actws/opportunities/schols_awards.htm	\$1,500		Feb 15	
Alberta Emerald Awards for Environmental Excellence	The awards recognize individuals and organizations that set an example of excellence in preserving, protecting, enhancing and sustaining our environment.					
Alberta Graduate Student Scholarships	A student must be registered full-time for Fall classes in the second year of a master's program in any discipline. Students must register in the second year of the same master's program, in the same department, immediately after completing their first year.		\$2000	Canadian or permanent resident		
Alberta Heritage Foundation for Medical Research (AHFMR) Full-Time Studentships	Students must be either engaged in, or accepted into, a full-time university graduate program in a health related discipline leading to a masters or doctoral degree and hold a record of superior academic performance in studies relevant to the proposed training. Relevance to health should be clearly apparent.	2 yrs. plus renewal options (1 yr.-MSc; 3 yrs.-PhD) Applications available at AHFMR's website: www.ahfmr.ab.ca	\$20,000 (+\$1500)	No restriction	Oct 1	Sep 15
					Mar 1	Feb 15

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Alberta Ingenuity Fund (AIF)	Open to students entering into a full-time MSc or PhD graduate program in science or engineering, or already enrolled (please verify with website). Tenable at an Alberta institution.	2 yrs. MSc; 4 yrs. PhD	\$23,000-\$26,000 plus \$1,500 Res. Allow.	No	Dec. 1	Nov. 25
Applications available on website: http://www.albertaingenuity.ca/						
Alberta Ingenuity Fund (AIF) Nanotechnology	Open to students entering into a full-time MSc or PhD graduate program in science or engineering, or already enrolled (please verify with website). Tenable at an Alberta institution.	2 yrs. MSc; 4 yrs. PhD	\$30,000-36,000 +\$5,000 Res. Allow.	No	Dec. 1	Nov. 25
Applications available on website: http://www.albertaingenuity.ca/						
Alberta Learning Graduate Student Scholarship	MSc students registered full-time in the second year of MSc program, who achieved GPA of near 3.5 or greater for their first year (criteria may change from year to year). Recipients of Ralph Steinhauer Awards of Distinction are not eligible. http://www.alis.gov.ab.ca/scholarships/info.asp?EK=861	1 yr.	\$2,000	Canadian Citizen or Permanent Resident	FGSR	
Students cannot apply. Recommended by FGSR to Alberta Learning.						
Alberta Society of Professional Biologists Graduate Scholarship	Awarded annually on the basis of academic performance and proposed research to a student registered in a full-time graduate degree program in the Department of Biological Sciences who is working in biology. To be eligible, the student must have completed at least one year of graduate work at the University of Alberta. The recipient may be asked to make a presentation to the Board of the Alberta Society of Professional Biologists.	1 yr.	\$2,500		FGSR Sep 1	
To Apply: Supervisors should submit nomination letter & student's c.v. to Associate Chair (Graduate Studies).						
Baillie, James L., Student Research Award (Society of Canadian Ornithologists)	Any student conducting ornithological research at a Canadian university.		\$1,000		Feb 15	
Application information available at website: http://www.sco-soc.ca/awards.html						
Bill Samuel Graduate Student Service Award	This award recognizes the service that graduate students give to the Department, including serving on committees, working with the BGSA, helping other students with techniques such as statistics, etc. Criteria include duration, significance and breadth of service. Any current graduate student is eligible, nominees are not necessarily required to be active in the BGSA or GSA.		\$100			
Biological Sciences Travel Subsidy	The Department provides a conference travel subsidy to full-time students who are presenting a paper or poster. Available once during program. Not a competition, but applicants must have already applied for FGSR Research Travel Support.		Up to \$300	No restriction		Open
Applications available through Dept. website: http://www.biology.ualberta.ca/programs/graduate/current/?Page=4676						

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Biological Survey of Canada Scholarship	Applicants must be post-graduate students at the time of application, be studying at a Canadian university, and be carrying out a project on insect (or terrestrial arthropod) faunistics in a Canadian habitat. Offered in alternate years to the Keith Kevan Scholarship.		\$1,000			
Birdsall, D. Alan, Memorial Scholarship	Graduate student or postdoctoral fellow specializing in the field of applied fisheries ecology and management. Scholastic excellence. In alternate years preference given if previously attended U of BC or resided in BC.	1 yr.	\$5,500	No restriction Note 'BC' connection	Jun 1 FGSR	May 26
Bonnycastle, Richard H.G., Fellowship for Prairie Ecosystem Studies (Institute for Wetland and Waterfowl Research)	This fellowship fosters research in prairie Canada that enhances the scientific understanding of prairie wetlands, associated habitats and wetland-dependent wildlife, and contributes to the protection, restoration, or wise use of this highly altered landscape. Preference given to PhD students. Strong MSc candidates also urged to apply. Not offered every year.	1 yr. plus renewal options (2 yrs.-MSc 3 yrs.-PhD)	\$17,000	No restriction	Nov 16	
Bonnycastle, Richard H.G., Fellowship in Wetland and Waterfowl Biology (Institute for Wetland and Waterfowl Research)	This fellowship is open to a broad range of innovative proposals for work anywhere in North America on any aspect of wetland or waterfowl ecology that promises to advance conservation. Preference given to PhD students. Strong MSc candidates also urged to apply. Not offered every year.	1 yr. plus renewal options (2 yrs.-MSc; 3 yrs.-PhD)	\$17,000	No restriction	Nov 16	
Brine, Margaret, Scholarships for Women (Canadian Federation of University Women Edmonton)	Female full-time graduate students. Eligibility Criteria • You must be a full-time student with a current minimum GPA of 3.7 • Master's students must have started their program by September 2007 at the University of Alberta, as confirmed by the University of Alberta transcript.	1 yr.	\$2,000-\$5,000		Feb 29	
Bullitt Environmental Fellowship	Currently enrolled in a graduate candidate program, not restricted to environmental studies. Prepared to demonstrate a strong desire and capacity for leadership. Seeking leadership opportunities to make substantial contributions to the environmental field.	2 years	\$50,000	No		

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Canada Graduate Scholarship - Michael Smith Foreign Study Supplements Program	Value: \$6,000 Eligibility: This foreign study supplements program is available to Canadian citizens or permanent residents who hold a Joseph-Armand Bombardier, an Alexander Graham Bell or a Frederick Banting and Charles Best Canada Graduate Scholarship (CGS) at the Masters or Doctoral level or a Vanier Canada Graduate Scholarship (Vanier CGS) at the Doctoral level.	Max 4 Months	\$6,000	Yes		
		Online: http://www.gradstudies.ualberta.ca/				
Canadian Association for Graduate Schools CAGS/UMI Distinguished Dissertation Award	Ph.D. dissertation completed in last 2 years. Only 1 is available worldwide for engineering, medicine and the natural sciences. Dissertation must be completed and accepted by FGSR between Jan. 1 and Dec. 31 of previous year. The Department may submit 1 nomination.		\$1,000 plus travel up to \$1,500		Mar 1 FGSR	Feb 25
		Nominated by supervisor to Assoc. Chair. Abstract (up to 10 pages) from nominee to Assoc. Chair (Grad. Studies)				
Canadian Bureau for International Education (CBIE)	check website yearly for award opportunity. www.cbie.ca					
Canadian Council of University Biology Chairs Graduate Student Research Prize	Awarded annually to a graduate student (M.Sc. or Ph.D.) who has the best and most innovative refereed journal article based on their graduate research, published or in press, in any national or international scientific journal. http://www.ccubc.ca/awards.html ***LAST INFO ON WEBSITE IS FOR 2006****		\$2,000			
Canadian Institutes of Health Research CIHR Canada Graduate Scholarships - M.Sc. Level -Ph.D. Level	MSc students in a health-related field. Must have completed or be in last year of a BSc degree or have been registered for no more than 10 months as a full-time student in a MSc program.	1 yr.	M.Sc. - \$17,500 Ph.D. - \$17,500	Canadian or Permanent Resident	Jan 4 FGSR	
		Application (CIHR's common c.v.) and guidelines are available at CIHR's website: http://www.cihr-irsc.gc.ca/e/22337.html				
Canadian Institutes of Health Research - CIHR	Open to students entering into a full-time PhD graduate program in a health related field, or already enrolled (please verify with website).	3 years	Up to \$27,000 - \$35,000			
		www.cihr.ca				
Canadian Northern Studies, various awards	MSc or PhD The CNST provides a range of scholarships, studentships and awards from Association endowments and annual donors, including the Canadian Polar Commission (CPC), the Royal Canadian Geographical Society (RCGS), the Beverly and Qamanirjuaq Caribou Management Board (BQCMB), and the	1 yr.	up to \$40,000	Canadian Citizen or Permanent Resident	Jan 31	
		Application information available at http://www.acuns.ca/cnstawards.htm				

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Canadian Society of Zoologists, Cameron, T.W.M. award Margolis, Leo scholarship	check the CSZ website http://www.csz-scz.ca in spring 2008 for deadline					Aug 1
Canadian Society of Zoology Student/PDF Travel Research Grant	Travel subsidy geared to aid students with expenses incurred during collaborative visits to other laboratories, research facilities, field stations or sites to conduct zoological research.		\$500	NO		
Canadian Water Resources Association Scholarships in Water Resources	Graduate students whose programs of study focus upon applied, natural, or social science aspects of water resources. Department may put one nomination forward.	1 yr. Online	\$1,500	Canadian or permanent resident	Feb 28	Feb 10
Canadian Wheat Board Fellowship (administered through Faculty of Agriculture, Forestry & Home Economics)	Graduate students with a proven record of outstanding academic achievement and research interest in areas of study concerning grain production, utilization, and marketing.	3 yrs. Applications available at Faculty of Agriculture/ Online	\$18,000-yr. 1 \$20,000-yr. 2 \$20,000-yr. 2	Canadian or permanent resident	Mar 13 in AFNS	
Canon National Parks Science Scholarship ***NO 2009 COMPETITION***	Ph.D. students in the Americas conducting research critical to conserving the national parks of the region. Research projects in the biological, physical, social and cultural sciences are eligible, as well as projects in technology innovation in support of conservation science. Students must have completed a majority of their coursework, and be able to complete the proposed dissertation research within three years of receiving an award.	maximum of 3 yrs.	\$26,000 US/yr.	Applications available on website: www.nature.nps.gov/canonscholarships ***no 2009 competition***		
Circumpolar/Boreal Alberta Research (CBAR)Grants Canadian Circumpolar Institute	Research "seed money" only; for graduate students and 4th year honours students intending to continue in a graduate program, involved in basic or applied research in any discipline, provided it applies to the Circumpolar North (any area of the world north of the southern border of the boreal forest). Proposals to conduct research outside this area are evaluated on their applicability to the north.	1 yr. Application information is available on the Circumpolar website: http://www.uofaweb.ualberta.ca/polar/index.cfm	Up to \$5,000 max.		Nov 1	
Delta Delta Delta Alumnae Fellowship	Woman graduate student of outstanding academic merit who has graduated from a degree program at the Univ. of Alberta. Preference is given to student entering 1st year of graduate program immediately following her undergraduate degree.	1 yr. To Apply: Supervisors should forward nomination letter & nominee's c.v. to Associate Chair (Grad. Studies).	\$1,800	No restriction	Sep 1 FGSR	Aug 15
Department of Biological Sciences GTA Scholarship	Incoming and continuing students with teaching assistantships.	3 yrs.-MSc 5 yrs.-PhD No application necessary.	\$250 per term			

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Dissertation Fellowship (General Awards Competition)	Designed for students who have a firm expectation of completing a doctoral program within 12 months following tenure. Must have passed candidacy exam before taking up award. No other duties, teaching or otherwise, may be undertaken. <u>Recipients are not eligible for any further assistance from scholarship or assistantship funds after the conclusion of the 12-month tenure.</u> Approximately 28 awards are granted each year.	1 yr.	\$22,000 + Tuition	No restriction	Feb 1	Jan 9
		Applications and information available at: http://www.gradstudies.ualberta.ca/awardsfunding/scholarships/general/index.htm				
Dr. Richard E (Dick) Peter Memorial Graduate Scholarship	Awarded annually to a student registered in a graduate degree program in the Department of Biological Sciences whose area of study is Comparative Physiology and Biochemistry. Preference will be given to a student whose research animal is fish. Preference also may be given to a student whose program will, at least in part, be carried out at the Bamfield Marine Sciences Centre. The scholarship may be held concurrently with the Donald	\$3,000		FGSR Sep 1		
		Letter of support from supervisor and up to date CV from student to be submitted to Assoc Chair office by Aug 15th.				
DUC-MBNA Canada Bank® Conservation Fellowship	Subject matter for the student's research can deal with any aspect of waterfowl or wetland biology that promises to advance conservation in Canada.	Renewable for 2 years for PhD	\$10,000	Nov 15		
Eberlein, Susan, Graduate Scholarship in Genetics	Awarded annually on the basis of high academic standing to a full-time student registered in a graduate degree program in Biological Sciences whose field of study is Genetics. Preference may given to a student who is not in receipt of a major award as defined by the Graduate Scholarship Committee, and preference will be given to a student in the second year of their program	\$2,000		Oct 1 FGSR Aug 15		
		Students cannot apply. By nomination of the Associate Chair (Grad. Studies); name supplied by 4 undergraduate advisors/Grad awards committee member.				
Edward D. and Sally M. Futch Graduate Fellowship	For personal or research support; to assist in the development of talented young professionals who are dedicated to furthering the conservation of wetlands and wetland wildlife, and; to advance scientific understanding of the biology of waterfowl and wetlands in North America.	1 yr.	\$7,000/year U.S.	Nov 16		
		Online				
Elder, Dr. Marion, Grant Fellowship (Canadian Federation of University Women/Wolfville)	At the time of application, the candidate must be enrolled in a full-time course of studies at any level of a second masters or doctoral program. One of her letters of reference must be provided by her graduate supervisor. All else being equal, preference will be given to the holder of a	1 yr.	\$11,000	Canadian or permanent resident for at least 1 yr.	Nov 1	
		Application information available through the Exec. Secretary, Associate Chair (Grad. Studies), CW312.				

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Entomological Society of Canada Keith Kevan Scholarship	To assist graduate students studying systematics in entomology; award is based on high scholastic achievement and excellence in insect systematics. Applicant must be a postgraduate student at the time of application, studying at a Canadian university or be a Canadian citizen studying abroad. Offered in alternate years to the Biological Survey of Canada Scholarship.	1 yr.	\$1,000	Canadian or permanent resident		
		Not offered every year. Online: http://www.esc-sec.ca/kevan.html				
Entomological Society of Canada Postgraduate Award	Based on scholastic achievement. Bachelor's degree must be from a Canadian University. Assists students beginning graduate study and research leading to an advanced degree in entomology.	1 yr.	\$2,000	Canadian or permanent resident	Feb 16	
		Online				
Erickson, Orville, Memorial Scholarship	Field of Wildlife and Conservation.	1 yr.	Up to \$3,500	Canadian or permanent resident	May 25	
		Online				
Faculty of Graduate Studies & Research Travel Support: Mary Louise Imrie, Gordin J. Kaplan or Profiling Alberta's Graduate Student Awards	Full-time MSc or PhD students. Supports travel to a research conference, symposium, library, archive, etc. Available only <u>once</u> during a student's program. MSc students must have completed preliminary coursework; PhD students must have either completed their candidacy or completed preliminary coursework and be well into the research part of the program.	1 yr.	MSc- Up to \$600 PhD-Up to \$800	No restriction		Open
		Applications available through: http://www.gradstudies.ualberta.ca/				
Fred Cooke Student Award, Bird Studies Canada	Open to any student conducting ornithological research at a Canadian university. Previous recipients of the Award are not eligible. Awarded for travel to ornithological conferences at which the student will make a verbal or poster presentation, or research in any aspect of ornithology anywhere in the world. The research must make a significant contribution to ornithological knowledge.	1 yr	\$1,000		Feb 15	
		Applications available on SCO website: http://www.sco-soc.ca/awards.html				
FS Chia PhD Scholarship	Recruitment Scholarship for foreign students. 1st priority: New students with previous degree(s) at an institution other than the UofA. 2nd priority: Students completing MSc at UofA, or transferring to a PhD program from an MSc program within the 12- mo. time limit. Department pays additional 1/2 TA for first 2 yr; full TA for next 3 yrs.	4 yrs.	Tuition& Fees for 4 yrs \$20,000 in 1st yr; \$3,000 in yrs 2,3 & 4	Foreign citizenship	Open	
		Students cannot apply. By nomination of the Associate Chair (Grad. Studies) at time of admission.				
General Awards: -Izaak W. Killam Memorial Scholarship -Dissertation Fellowship -Andrew Stewart Prize	See individual listings for further information.				Feb 1	Jan 9
		Applications and information available at: http://www.gradstudies.ualberta.ca/awardsfunding/scholarships/general/index.htm				

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Governor General's Gold Medal	PhD student is nominated by the Department for each convocation (June, November). Based on academic excellence, attention to dissertation and cumulative scholarly achievement during doctoral program. Nomination decided by Associate Chair (Graduate Studies) and Graduate Student and Postdoctoral Fellows Award Committee.	Students cannot apply. By nomination of Associate Chair (Graduate Studies).			FGSR	
Graduate Research Assistantship (GRA-R)	Continuing graduate students. Students whose thesis research requires that they be off-campus during Terms I (Fall) or II (Winter) are normally given highest priority. Consideration also given to students near the end of their program, on campus, when a clear case can be made that research requirements are incompatible with teaching. Only about 5 GRAs are available. Competition is severe.	1 term-MSc 2 terms-PhD	GTA value	No restriction		~Mar. 1 To be determined
Written request to Associate Chair (Grad. Studies). See page 16 of Graduate Studies Manual for the Department of Biological Sciences (available through Executive Secretary, Associate Chair (Grad. Studies),						
Graduate Teaching Assistantship	Normally, incoming graduate students. Minimum GPA for competition is normally 7.5 (U of A); 3.4 on scale of 4.0; ~79% for percentage grading systems. Foreign students must normally have achieved a minimum TOEFL score of 630.	3 yrs.-MSc 5 yrs.-PhD Pending annual review	Initially: ~\$10,000/8 mos.-MSc ~\$11,200/8 mos.-PhD	No restriction		Apr 15
Applicants indicate on application for Graduate Studies that they want to be in competition for the award.						
Health Research Communications Awards Canadian Institutes of Health Research (CIHR)	Open to those who have completed one or more degrees related to human health and who have applied or those who have been accepted into a full time journalism or communications degree program. In addition, applicants must have a proven aptitude for health research communications and may not hold any other major scholarship or award. Applications for awards to be held outside of Canada are welcome.	2 yrs. Non-renewable	Between \$21,000 and \$26,000	Canadian	Apr 1	
Information available online at: http://www.cihr-irsc.gc.ca/e/30091.html						
Hrapko, Julia O, Graduate Scholarship in Plant Ecology	Awarded annually to a graduate student entering the first year of a master's degree program with a focus in plant ecology or other botanical fields. The recipient will be selected on the basis of superior academic standing. Preference will be given to a student conducting research that deals with Alberta vegetation.	1 yr.	\$1950		Sep 1 FGSR	Aug 15
To Apply: Supervisors should forward nomination letter & nominee's c.v. to Associate Chair (Grad. Studies).						
Hyndman, Louis D Sr. Award	Given annually to individuals, by category, who have introduced improvements in the welfare of animals in their care or have effectively reduced or replaced the use of animals in their work. Not all categories may be awarded each year.				Mar 7	

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
IDRC Doctoral Research Award International Development Research Centre	Awarded for field research expenses to a PhD student with background in Environment and Natural Resource Management. Must have completed course work and passed candidacy by the time of award tenure. Awards are intended to promote the growth of Canadian capacity in research on sustainable and equitable development from an international perspective. (Normally research conducted in Latin America, Africa, Middle East or Asia.)	1 yr; possible 1 yr renewal	Up to \$20,000	Canadian Citizen or Permanent Resident	April 1	Novemb
		Applications available on website: www.idrc.ca/awards .				
Intersession Supplements	Continuing graduate students with GTA or with major scholarships that do not provide summer support.	May 1--June 15	~\$1,900	No restriction		May 1
		No application necessary				
John G. Bene Fellowship International Development Research Centre (IDRC)	Awarded for field research expenses to a student with background that combines forestry or agroforestry with social sciences. Interdisciplinary programs (e.g. environmental studies) may be applicable. Must have completed course work and PhD students have passed candidacy by the time of award tenure. The successful candidate will be the one whose work most benefits the lives of the less privileged people in a developing country. Preference given	1 yr; renewal for yr 2	Up to \$15,000	Canadian Citizen or Permanent Resident	Mar 1	
		Applications available on website: www.idrc.ca/awards				
Johns, Walter H., Graduate Fellowships	Full-time graduate students who are receiving major scholarships from NSERC, SSHRC or CIHR.	1 yr.	\$4,626.24		Sep 5	
		No application necessary. FGSR processes this Fellowship automatically upon receipt of receiving major scholarships from NSERC, SSHRC or CIHR.			Jan 5	
Kroeger, Henry, Memorial Graduate Scholarship	Graduate students of superior academic ability whose research is in the area of soil and water resources as directed towards the enhancement of rural life in Western Canada and Alberta in particular.	1 yr.	\$3,600		Sep 1	Aug 15
		To Apply: Supervisors should forward nomination letter & nominee's c.v. to Associate Chair (Grad. Studies).			FGSR	
Lakshmi Memorial Award	MSc or PhD student who is deemed the "outstanding graduate teaching assistant in the botanical area."	1 yr.	\$600	No restriction		Mar 1
		To Apply: Supervisors and/or instructors should forward nomination letter & student's c.v. to Associate Chair (Grad. Studies).				
Lorraine, Allison Scholarship (Arctic Institute of North America)	Graduate students in programs related to northern issues, whose application best addresses: 1) academic excellence, 2) a demonstrated commitment to northern Canadian research, and 3) desire for research results to be beneficial to northerners, especially Native northerners.	1 yr. (with 1 yr. renewal)	\$3,000	No restriction	Jan 10	
		Online				

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Mackenzie King Open Scholarships	Graduates of any Canadian university who engage in postgraduate study in any field, in Canada or elsewhere. One Open Scholarship is awarded annually. Award is based on high academic achievements (all A's or very nearly so), personal qualities and demonstrated aptitudes. Consideration will also be given to the applicant's proposed program of study.	1 yr.	\$10,000	Application information available at www.mkingscholarships.ca	Feb 1 FGSR	
McAfee Estate Scholarship in Botany	Available to graduate students (MSc or PhD) studying botany in the province of Alberta. Awardee may not hold a major scholarship. Amount will be at the TA rate of pay for one term. Award may be held in either the fall or winter term. Supervisor should submit a student support letter, brief description of the student's research and the student's C.V. to the Associate Chair (Graduate Studies). If a suitable candidate is not found, no award	1 yr.	Variable	No restriction		Feb 1
				Associate Chair (Grad. Studies) will consider any reasonable request relating to native or cultured roses.		
McAfee Estate Scholarship in Zoology	Awarded in alternate years to a graduate student who researches upland birds. Priority will be given to a student who is writing their thesis. Preference will be given to a PhD student, but MSc students may also apply. The awardee may not hold a major scholarship. Amount will be at the TA rate of pay for one term. Award may be held in either the fall or winter term. Supervisor should submit a student support letter, brief description of the		Variable	No restriction		Feb 1
				Supervisor must submit letter to Assoc. Chair (Graduate Studies), describing research, along with current c.v. for the nominee.		
McWilliams, Margaret, Pre-doctoral Fellowship (Canadian Federation of University Women)	Female PhD student must have completed at least one full calendar year. May be studying abroad.	1 yr.	\$13,000	Canadian or permanent resident for at least 1 yr.	Nov. 1	
				Online		
Memorial Fellowship (Canadian Federation of University Women)	The candidate must be enrolled in a masters degree program in science, mathematics, or engineering in the 2008-2009 academic year. She may be studying abroad	1 yr.	\$10,000	Canadian or permanent resident for at least 1 yr.	Nov 1	
				Online		
Nat. Sciences and Eng. Research Council of Canada (NSERC) Postgraduate Scholarships: PGSD/CGS D	PhD students must have completed from 4 - 36 mos. of graduate study by Dec. 31 following application deadline. This award is for up to 3 years. At NSERC's discretion, this award may be reclassified to a Canadian Postgraduate Scholarship (CGS).	up to 3 yrs.	PGSD \$21,000 CGSD \$35,000	Canadian or permanent resident	Oct 15 FGSR	Sep 25
				Applications and information are available at the NSERC website: www.nserc.ca		

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline	
Nat. Sciences and Eng. Research Council of Canada (NSERC) Postgraduate Scholarships: PGS M/CGS M	Graduate students must have completed from 0 - 12 mos. of graduate study by Dec. 31 following application deadline. 4th year undergraduates and 1st year graduate students should apply. This award is for one year. Some may be eligible for an extension. At NSERC's discretion, this award may be reclassified to a Canadian Postgraduate Scholarship (CGS).	1 yr.	PGSM \$17,300 CGSM \$17,500	Canadian or permanent resident	Oct 15 (FGSR)	Sep 25	
		Applications and information are available at the NSERC website: www.nserc.ca					
National Academies of Science	check website yearly to see what awards are being offered.	varies					
		Apply via the Web at: national-academies.org/fellowships					
Natural Sciences and Engineering Research Council of Canada (NSERC) Doctoral Prize	Awarded in recognition of high quality research conducted by up to 1 yr. two students in the natural sciences who are completing their doctoral degrees at Canadian universities. Each consists of a framed citation, a silver medal, and cash prize. (Must have a copy of the external examiner's report on the thesis (submitted at or before final defense). Department may submit one nomination.				\$5,000 + medal	Canadian or permanent resident	FGSR
		See Exec. Secretary in office of Associate Chair (Grad. Studies) for nomination procedures.					
Natural Sciences and Engineering Research Council of Canada (NSERC) Industrial Postgraduate Scholarship	This award matches the interest of a faculty member, the needs of an industrial sponsor and the skills of the student. Two awards are available. The NSERC IPS1 is for 1st and 2nd years, or 2nd and 3rd years, of postgraduate study. The NSERC IPS2 is for 3rd and 4th years, or 4th and 5th years, of postgraduate study. Industrial sponsor must provide \$6,000 minimum. (Available for part-time students as well.)	2 yrs.	\$21,000 (\$6,000 from industry; \$15,000 from NSERC)	Canadian or permanent resident			
		Applications and information are available at the NSERC website: www.nserc.ca			Sep 1	Jan 1	
Nisus Corporation's Scholarship	MSc and PhD Students interested in the pest control industry. The recipient will have displayed research, experience or a strong interest in urban entomology or some other related facet of pest control. This scholarship includes \$500 towards travel expenses to attend the Annual Urban Entomology Conference.	1 yr	\$2,500				
		Online			Jun 1		
Novartis Pharmaceuticals Canada Inc. Graduate Scholarship	Must be registered full-time conducting research in scientific, medical or pharmaceutical areas related to pharmaceutical development. One scholarship will be awarded to a graduate student in the Faculty of Science ***U of A not an institution supported in 2008***	1 yr.	\$2,000				
		Supervisors must submit a general appraisal to Associate Chair (Graduate Studies) indicating why the student should be considered for the award, plus a recent c.v. for the student.					

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
NSERC Innovation Challenge Awards	MSc/PhD students who defended/submitted their thesis between May 1 and April 30, 2004, or anticipate defending/submitting their thesis before Jan. 1, 2005. Identify, by written essay, what potential product/service could be implemented through application of research results. Intent is to recognize/reward the power of imagination and innovation within Canada's brightest minds. Department may submit 1 nomination to RSO.	1 yr.	\$5,000-\$10,000	Canadian or permanent resident	May 15	
		To Apply: Supervisors should submit nomination letter & student's c.v. to Associate Chair (Graduate Studies).				
Open Competition, FGSR: Alumni Council Graduate Scholarship	Awarded annually to a student of superior academic achievement who is registered full-time in a graduate program at this university.	1 yr.	\$2,500		FGSR	
		To Apply: Supervisors should forward nomination letter & nominee's c.v. to Associate Chair (Grad. Studies).				
Open Competition, FGSR: Faculty/Club/Dr. William A (Bill Preshing Graduate Scholarship)	Awarded annually to a student registered full-time in a graduate degree program at the University of Alberta on the basis of financial need and superior academic achievement.	1 yr.	\$1,200		FGSR
